Who we are

Who is providing this notice?

Steadmont Advisors

What we do

How does Steadmont Advisors protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and building.

How does Steadmont Advisors collect my personal information?

We collect your personal information, for example, when you:

- Open an account
- Deposit money
- Seek advice about your investments
- Enter into an investment advisory contract
- Tell us about your investment or retirement portfolio or earnings

We also collect your personal information from other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only:

- Sharing for affiliates' everyday purposes-information about your creditworthiness
- Affiliates from using your information to market to you
- Sharing for non-affiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

Definitions

Affiliates

Companies related by common ownership and control. They can be financial and nonfinancial companies.

- *We may share information with our affiliates for our everyday business purposes, including information about your transactions and experiences.*

Nonaffiliates

Companies not related by common ownership and control. They can be financial or nonfinancial companies.

- *We do not share with non-affiliates so that they can market to you.*

Joint marketing

A formal agreement between nonaffiliated financial companies that together market financial products or service to you.

- *We do not jointly market.*

Other important information

Text Messaging Communications: Steadmont may communicate with clients via text messaging for account servicing or administrative purposes. These messages may be retained in accordance with SEC Books and Records Rule 204-2 and our firm's recordkeeping policies. Clients should not send confidential personal information via text (such as Social Security numbers, account numbers, or trade instructions). All texting with clients is subject to monitoring and supervision.
